

Cook faster, cheaper, easily and safely with **clean cookstoves**

Why cook on a stove that fills your lungs with smoke and soot, when you can have one that is clean, efficient and affordable? Improve your health, protect the environment, empower women, save time and save money. ***Transform your life with clean cooking.***

Save money

- Stove lasts longer
- Reduce amount of fuels needed to cook

Cook easily and conveniently

- Buy good quality fuels any time of the year
- Cook in a soot-free environment
- Easily regulate heat of stove when cooking
- Enjoy the cooking experience

Save time

- Spend less time starting the stove
- Spend less time in the kitchen than ever
- Reduce fuel collection time
- Save time to do other other productive activities

Cook safely

- Less exposure to smoke
- Less eye irritation
- Less risk of fires and body burns
- Reduced risk of respiratory and heart diseases

Clean cooking empowers families

- Families have more time to focus on business, work and rest
- Children have more time to study
- Clean cooking increases gender equality

Save the environment

- Conserve forests by reducing charcoal and wood consumption
- Reduced incidences of landslides and floods
- Fewer harmful emissions released to the environment
